Cold Pressed Hemp Oil

PRODUCT OF CANADA - HS Code: 1515.09

100% Canadian Cold Pressed Hemp Oil

Available in conventional and certified organic

Gluten free

Organic

Nut free

Vegan

Delicious

Hemp oil is harvested by cold-pressing hemp seeds and provides a natural source of important nutrients, fatty acids, terpenes and proteins. Hemp oil is at home in the kitchen but also has a growing demand as an ingredient to anything from pet food to personal care product.

Functional culinary oil used as an edible ingredient, for table and cold oil blends, and as a companion pet food ingredient or for personal care products and may provide relief from eczema and other skin disorders.

Characterization Cold-pressed hempseed oil filtered to 1 micron. Available in conventional and organic.

Sensory Profile Translucent, semi-opaque, light green vegetable oil that has a slightly nutty flavour.

Grain Purity Hempseed cleaned to 99.95%

Application Edible ingredient to increase protein in recipes, blends, smoothies and nutritional products

Facilities Nut, dairy and gluten free. Processing in accordance with Food Safety Systems

Packaging 20 litre jug, 200 litre drum, or 1000 litre tote

Usage Best used within 18 months from the date of production

Storage Maintain in a cool dry environment away from oxidation, heat or sunlight and refrigerate after opening
